MEET THE FACILITATORS:**

Samantha Ellis, LMSW, serves as a Lecturer with Troy University and teaches graduate and undergraduate social work and human services courses. She is graduate of Troy University's MSW Program, and she is actively engaged in a doctoral program. Additionally, she is an accomplished direct practice clinician, researcher and presenter. Her work in HIV/ AIDS education and service provision is notable, and she lectures on related topics regionally and nationally.

Dr. B.C. Farnham, is a nationally celebrated keynote speaker, educator and researcher. He has more than 15 years of executive-level healthcare experience and has served as a retained subject matter expert with some of the largest healthcare organizations in the US. His work has been featured in venues ranging from CBS Television to *The Journal of Social Work in End of Life Care*. He serves as a Professor of Practice and Director of MSW Field Education with Troy University's MSW Program.

Dr. Denise Green, serves as Dean of the College of Health & Human Services with Troy University. She has extensive experience lecturing nationally and internally on topics ranging from direct clinical practice with highly vulnerable populations to program evaluation. Her published research efforts have been featured in multiple professional journals, and she has authored several book chapters and case studies.

Leigh Ford Nunn, BS, RN, serves as a senior leader with Affinity Hospice. She is a registered nurse with greater than 15 years of clinical practice and health care leadership experience. She serves as a Guest Lecturer and Community Advisor to Troy University's MSW Program, in addition to her efforts associated with various state, regional and national health care organizations.
